

**GOT HIGHSPEED
WIRELESS?**

WE DO.

Wireless broadband is now
available in your area.

Wireless broadband makes everything
on the Internet faster. A whole lot
faster. Uploading. Downloading.
Customer Support. Communication.
No more slow-motion connections.
No more bandwidth deterioration.
No more interaction with large unre-
sponsive companies. Just blazing fast,
totally secure network access and
service. And chances are, you'll find
wireless broadband less expensive
than other high-speed access choices.
